

Engineering Workbench Standards Publishers

Accuris offers the most content of any standards distributor. Below is a list of Standards Development Organizations (SDOs) whose content is available through Engineering Workbench subscriptions – now with 28 new SDOs!

	ACRONYM	PUBLISHER NAME	PRIMARY INDUSTRY SERVED
NEW!	A3 RIA	Association for Advancing Automation (was RIA)	General / Other
	AA	The Aluminum Association	Manufacturing & Materials
	AAMI	Association for the Advancement of Medical Instrumentation	Medical / Pharmaceutical / Health
	AARST	Association of Radon Scientists and Technologists	AEC
	AASHTO	American Association of State Highway & Transportation Officials	Automotive / Ground Transportation
	AATCC	American Association of Textile Chemists & Colorists	Manufacturing & Materials
	ABMA	American Bearing Manufacturers Association	Manufacturing & Materials
	ABS	American Bureau of Shipping	Automotive / Ground Transportation
	ACC	American Chemistry Council Standards	Manufacturing & Materials
NEW!	ACGIH	American Conference of Governmental Industrial Hygienists	General / Other
	ACI	American Concrete Institute	AEC
NEW!	ADA	American Dental Association	Medical / Pharmaceutical / Health
NEW!	AEIC	The Association of Edison Illuminating	Energy / O&G / Power / Utilities
	AENOR	Asociacion Espanola de Normalizacion y Certificacion	NSB
	AGA	American Gas Association	Energy / O&G / Power / Utilities / Nuclear
	AGMA	American Gear Manufacturers Association	Manufacturing & Materials
	AGRSS	Automotive Glass Replacement Safety Standards Committee Standards	Automotive / Ground Transportation
	AHAM	Association of Home Appliances Manufacturers	Manufacturing & Materials
	AHRI	Air-Conditioning & Refrigeration Institute	AEC
	AIA/NAS	Aerospace Industries Association	Aerospace, Defense and Security
	AIA/NAS 3D Models	Aerospace Industries Association 3D Models	Aerospace, Defense & Security
