2.4.2 Notwithstanding the foregoing, if Customer is required by law to deduct or withhold Taxes from any amounts payable under this Agreement, Customer shall increase the amount payable as necessary so that, after making all required deductions and withholdings, Accuris receives and retains (free from any liability for Taxes) an amount equal to the amount it would have received had no such deductions or withholdings been made. Customer shall remit amounts withheld to the respective tax authority and provide Accuris with certificates evidencing payments of such amounts, within the period specified by the relevant legislation or standard practice of the relevant tax authority, when no period is specified by legislation.

3. OWNERSHIP OF INTELLECTUAL PROPERTY.

3.1 Accuris or its Third-Party Providers owns all Accuris Property, and Customer owns all Customer Information. Customer may provide suggestions/feedback which Accuris may use without any obligation to Customer so long as such suggestions/feedback do not include Customer Information.

Where applicable, Customer may be required to enter into a separate agreement with Accuris or a Third-Party Provider in order to receive or continue to receive such Product.

4. CONFIDENTIAL INFORMATION.

4.1 Each Party (“Discloser”) may disclose Confidential Information to the other Party (“Recipient”). Recipient shall protect Discloser’s Confidential Information, using the same degree of care it uses to protect its own information of like nature, but no less than a reasonable degree of care. Recipient shall use Discloser’s Confidential Information internally solely as necessary to perform its obligations under the Agreement or as may be agreed upon in writing by Discloser. Recipient shall disclose Confidential Information only to those employees (and, in the case of Accuris, to the employees of its Affiliates, Third-Party Providers and distributors) who have a need to know for Recipient to perform its obligations under the Agreement and who are subject to binding use and disclosure restrictions at least as protective as those described in the Agreement.

4.2 Confidential Information does not include information that: (a) is now or subsequently becomes public knowledge through no breach on the part of Recipient; (b) Recipient can demonstrate was rightfully in its possession before receipt from Discloser; (c) Recipient independently develops without using any Confidential Information; or (d) Recipient obtains from a third party without breach of a confidentiality obligation.

4.3 Recipient may disclose Discloser’s Confidential Information pursuant to a valid order or requirement of a court or government agency if Recipient gives prompt written notice to Discloser to give Discloser the opportunity to prevent disclosure or protect Discloser Confidential Information.

4.4 Upon any expiration or termination of these Online T&Cs or an Order Form or SOW, Recipient shall promptly return to Discloser or destroy all Discloser Confidential Information that it has in its possession or control related to the Agreement, Order Form, or SOW, as applicable. Upon request from Discloser, Recipient shall provide written certification to Discloser that Recipient has complied with this paragraph. Notwithstanding the foregoing, neither Party will be obligated to delete, destroy, or return any Confidential Information stored on archive tapes, server backup tapes, or similar backup storage media. Such Confidential Information will be deleted or destroyed in accordance with the Recipient’s document retention policy or for such longer period of time to the extent reasonably necessary to satisfy any applicable legal or regulatory requirements. Any archival or backup copies of Confidential Information will remain

ACCURIS

subject to the terms of the Agreement until such copies are returned or destroyed in the normal course.

5. INDEMNIFICATION.

5.1 By Accuris.

5.1.1 Except as otherwise specifically set forth in an Order Form or SOW, Accuris shall indemnify, defend, and hold harmless Customer for any damages (and related attorney's fees) finally awarded by a court in favor of any third party alleging that Products and/or Deliverables infringe or misappropriate any third-party intellectual property rights, including any patent, copyright, trademark, or trade secret, in the country(s) of Customer's locations as licensed under an Order Form or in the country(s) of provision of Deliverables under a SOW ("Infringement Claim").

5.1.2 Accuris will have no liability under this Section 5.1 for any Infringement Claim arising from: (a) failure to use Products or Deliverables in accordance with the Agreement, (b) the modification of a Product or Deliverable not specifically authorized in writing by Accuris; (c) the combination of a Product or Deliverable with any third-party software, equipment, or information not specified in the Documentation; (d) the use of a version of a Product other than the then-current version, if the infringement would have been avoided by use of the then-current version; or (e) compliance with designs, plans, or specifications furnished by or on behalf of the Customer.

5.1.3 If Products or Deliverables are held or are believed by Accuris to infringe any third-party intellectual property right, Accuris may choose, at its sole expense, (a) to modify the Products or Deliverables so that they are non-infringing; (b) to replace the Products or Deliverables with non-infringing Products or Deliverables that are functionally equivalent; (c) to obtain a license for Customer to continue to use the Products or Deliverables; or if none of (a), (b), or (c) is commercially reasonable, then (d) to terminate the Order Form or SOW for the infringing Products or Deliverables and refund Fees paid for such infringing Product(s) or Deliverables; (i) in case of provision of subscription Products and/or Deliverables, prorated from the date of the Infringement Claim; or (ii) in case of provision of software Products, based upon a five year depreciation schedule. This Section 5.1 states the entire liability of Accuris and Customer's sole and exclusive remedy for any infringement of third-party proprietary rights of any kind.

5.2 By Customer.

5.2.1 Customer shall indemnify, defend and hold harmless Accuris for any damages (and related attorney's fees) finally awarded by a court in favor of any third party alleging that Customer Information used by Accuris in accordance with the terms and conditions of the Agreement infringes or misappropriates any third-party intellectual property rights including any patent, copyright, trademark, or trade secret. If Customer Information is held or is reasonably believed by Accuris to infringe, Accuris shall cease using such Customer Information and will not be liable to Customer for any breach or failure to perform under the Agreement for which the Customer Information was provided.

5.2.2 Customer shall indemnify, defend and hold Accuris harmless for any third-party claims arising from the Customer's decision to share the Products, Work, Deliverables or any report, findings, or conclusions contained in or derived from Deliverables, with any third party(s).

5.3 Mutual Indemnification: Each Party shall indemnify, defend, and hold the other Party harmless from any claim, demands, liabilities, suits, or expenses of any kind for personal injury or damage to tangible

property to the extent arising from its negligence or willful misconduct on either Party's premises.

5.4 Indemnification Procedure. The indemnification obligations of each Party under this Section 5 are contingent upon the indemnified Party providing to the indemnifying Party: (a) prompt written notice of the alleged claim; (b) sole control of the defense or settlement of the alleged claim; and (c) reasonable cooperation and assistance, at the indemnifying Party's expense. If the indemnified Party chooses to be represented by counsel, it will be at the indemnified Party's sole cost and expense.

6. LIMITATION OF LIABILITY.

6.1 NEITHER ACCURIS, ITS THIRD-PARTY PROVIDERS, NOR THE CUSTOMER WILL BE LIABLE FOR ANY CONSEQUENTIAL, PUNITIVE, SPECIAL, OR OTHER INDIRECT DAMAGES SUFFERED BY THE OTHER PARTY, INCLUDING: (a) ANY LOSS OF ACTUAL OR ANTICIPATED PROFITS, REVENUE, SAVINGS, OR BUSINESS; (b) LOSS OF DATA OR INFORMATION; (c) LOSS OF GOOD WILL, REPUTATION, OR SIMILAR LOSSES; OR (d) BUSINESS INTERRUPTIONS ARISING OUT OF OR RELATED TO THE AGREEMENT OR ANY USE OF OR INABILITY TO USE PRODUCTS, SERVICES, OR DELIVERABLES, EVEN IF ADVISED IN ADVANCE OF THE POSSIBILITY OF ANY SUCH LOSSES OR DAMAGES.

6.2 Except for each Party's indemnification obligations under Section(s) 5.1 or 5.2, the maximum liability of Accuris, its Third-Party Providers, and/or the Customer to the other Party for all claims under the Agreement, in warranty, contract, tort, or otherwise, will not exceed: (a) in the case of Products, the Fees paid by Customer in the prior 12 months for the defective Products that are the subject of the claim; or (b) in case of the Services, the Fees paid by Customer for the defective Services that are the subject of the claim.

6.3 The limitations of liability in this Section 6. will not apply to the liability of a Party for: (a) damages related to death or personal injury arising out of the gross negligence or willful misconduct of the Party; (b) any damages or liability incurred as a result of fraud or fraudulent misrepresentation of the Party; (c) claims or loss(es) based upon breaches by the Party of its License/Authorized Use or the other Party's intellectual property rights; or (d) Customer's liability under Section 2 (Fees, Payment, Delivery and Taxes).

7. TERM, TERMINATION AND SUSPENSION.

7.1 These Online Terms and Conditions will be effective from and continue in full force and effect as of the Effective Date and until mutually terminated by the Parties or unilaterally by either Party subject to the provisions of this Section 7. The term of a Product license or completion date of Services will be set forth in the applicable Order Form or SOW.

7.2 Accuris may suspend with immediate effect the license to any Product or Service for Customer's late or non-payment of Fees, or if in Accuris' reasonable opinion: (a) Customer is in breach of the terms of this Agreement or any license granted therein; (b) Customer fails to cooperate with any reasonable investigation of a suspected breach; or (c) it is necessary to do so in order to comply with (i) any change in a material contractual requirement imposed by a Third-Party Provider or (ii) any applicable law, regulation or decision of any applicable regulatory body. Suspension under this section will not extend the Term of any Order Form or SOW.

ACCURIS

7.3 Either Party may terminate these Online T&Cs, or an Order Form or SOW if: (a) the other Party commits a breach of any material term or condition of the Agreement and does not cure such breach within 30 days of written notice; or (b) the other Party's assets are transferred to an assignee for the benefit of creditors, to a receiver or to a trustee in bankruptcy, a proceeding is commenced by or against the other Party for relief under bankruptcy or similar laws and such proceeding is not dismissed within 60 days, or the other Party is adjudged bankrupt.

7.4 Any termination does not relieve either Party of any liability incurred prior to such termination, or for Customer's payment for unaffected Products or Services. Upon the termination of these Online T&Cs, or any Order Form or SOW; all Fees, Taxes and Expenses owed by Customer through the date of termination automatically and immediately become due and payable.

7.5 Upon any expiration or other termination of an Order Form or SOW, all licenses granted under same immediately will terminate. All terms and conditions of the Online T&Cs and applicable exhibits will continue to apply to any Order Forms or SOWs that have not been so terminated.

8. ANTI-CORRUPTION, EXPORT CONTROL AND SANCTIONS.

8.1 Anti-Corruption. Both Parties shall comply with all applicable laws of the United States and other jurisdictions relating to anti-corruption and agree not to perform, offer, give and receive bribes or corrupt actions in relation to the procurement of any Products or Services or performance of this Agreement.

8.2 Export Controls. Both Parties shall comply with all applicable export laws and regulations of the United States and other relevant local export laws as they apply to the Products/Deliverables provided by Accuris under this Agreement.

8.3 Sanctions. Each Party represents and warrants that it: (a) is not owned or controlled by, nor owns or controls, nor is under common control with (in each case directly or indirectly, individually or in the aggregate) any person or entity (including any director or corporate officer) that is the subject of Sanctions; (b) is not an agency or instrumentality of or an entity owned or controlled by the government(s) of an Embargoed Country; or (c) is not located organized, or resident in an Embargoed Country, or owned or controlled, directly or indirectly, by any person located, organized, or resident in an Embargoed Country. Each Party shall promptly notify the other Party if any of these circumstances change.

8.4 Anti-Slavery. Both Parties shall, in performing its obligations under this Agreement comply with all applicable United States, United Kingdom and other jurisdictions' anti-slavery laws, statutes and regulations.

8.5 Failure to comply with all applicable anti-corruption, export or anti-slavery laws will be deemed a material breach of the Agreement, and Accuris may immediately suspend the performance of or terminate the Online T&Cs or any Order Form or SOW, if Accuris determines, in its sole discretion, (a) that Accuris is required to suspend the performance of or terminate the Online T&Cs and any Order Form or SOW to comply with applicable law or corporate policy; or (b) that Customer has breached any of the representations or covenants contained in this Section 8.

9. U.S. GOVERNMENT USE.

The following is a notice to Customer as well as to any potential third-party recipients of the Products/Deliverables:

The Products or Deliverables provided hereunder: (a) were developed at private expense and are Accuris proprietary information; (b) were not developed with government funds; (c) are an Accuris trade secret for purposes of the Freedom of Information Act; and (d) are commercial items as defined in FAR 2.101. Any Products, or Deliverables used by, for, or on behalf of the U.S. Government are provided with LIMITED RIGHTS. Any software or tools embedded in Products or Deliverables used by or on behalf of the U.S. Government is provided with RESTRICTED RIGHTS. Use, duplication, or disclosure of data or software by the U.S. Government is subject to restrictions as set forth in the Rights in Technical Data and Computer Software clause at FAR 12.211 and 12.212(a) and/or Commercial Computer Software at DFARS 227.7202-1(a) or subparagraphs (c) (1) and (2) of the Commercial Computer Software-Restricted Rights at 48 CFR 52.227-19, as applicable. Manufacturer is Accuris or its Affiliates.

10. MISCELLANEOUS.

10.1 Independent Contractors. The Parties are independent contractors and nothing in the Agreement will be construed to create a partnership, joint venture or employment relationship between the Parties.

10.2 Entire Agreement. The Agreement sets forth the entire agreement between the Parties and supersedes any and all prior proposals or agreements, written or oral, of the Parties with respect to the subject matter of the Agreement. Nothing contained in any Customer-issued or referenced document (collectively the "Customer-Issued Documents") or any Accuris acknowledgement of the Customer-Issued Documents required as part of the vendor registration process, will in any way modify or add any additional terms or conditions, requirements, obligations or liabilities upon Accuris. Such Customer-Issued Documents are for Customer's internal administrative purposes only and are not binding on Accuris.

10.3 Privity of Contract.

10.3.1 If Customer executes the applicable Order Form and/or SOW on behalf of itself and its Affiliate(s), then Customer shall be responsible for ensuring compliance with the Agreement by itself, Customer's Affiliate(s), its Authorized Users, and the Authorized Users of Customer's Affiliates.

10.3.2 If a Customer Affiliate executes the applicable Order Form and/or SOW on its own behalf; then the Order Form and/or SOW will be treated as an independent contract between Accuris and the Customer Affiliate, and the Customer Affiliate shall be responsible for ensuring compliance with the Agreement by itself and its Authorized Users.

10.4 Modification. The Parties may not modify, alter, or amend the Agreement, except by written instrument duly executed by authorized representatives of both Parties.

10.5 Waiver. No failure or delay by either Party to exercise any right they may have operates as a waiver of their rights at any future time.

10.6 Assignment. Except for an assignment to an Affiliate that does not increase the scale or scope of a license granted under this Agreement or an Order Form, Customer may not assign these Online T&Cs, an Order Form or a SOW to any third party (whether directly or indirectly, by operation of law or otherwise) without the prior written consent of Accuris, which consent will not be unreasonably conditioned, withheld, or delayed. Any requested assignment: (a) to a direct competitor of Accuris; (b) that would interfere with performance of obligations under this Agreement; or (c) that changes the scope of the usage or the intent contemplated

ACCURIS

by the Parties under the Agreement, is deemed unreasonable. Any assignment or transfer in violation of this provision is void.

10.7 Binding on Successors. The Agreement is binding on the Parties, their successors, and assigns. Accuris reserves the right to subcontract any or all of its obligations under the Agreement to subcontractors of its choosing.

10.8 Choice of Law. The Agreement will be construed under the laws of England and Wales, without regard to its conflicts of law principles and each Party hereby submits to the exclusive jurisdiction of English Courts. The Parties hereby disclaim the application of the 1980 U.N. Convention on Contracts for the International Sale of Goods. Notwithstanding the aforementioned, Accuris may institute legal proceedings in any other jurisdiction in order to request immediate injunctive relief or specific performance, to avoid the expiration of any applicable limitations period, to preserve a superior position with respect to other creditors, or to avoid irreparable injury and damages, which may be difficult to ascertain, and Customer will not object thereto on the basis of an adequate remedy at law, lack of irreparable harm or for any other reason.

10.9 Force Majeure. Except for Customer's obligation to pay, either Party may be excused from the performance of any obligation under the Agreement, due to any act or condition whatsoever beyond the reasonable control of such Party, including, acts of God, acts of terrorism, acts of nature, acts of government, internet outages, fires, floods, wars, pandemics, or other catastrophes, labor disturbances, freight embargos; or delays of a supplier or subcontractor due to such causes.

10.10 Severability. If any provision of this Agreement is found invalid or unenforceable, the remaining portions will remain in full force and effect.

10.11 Notice. All notices under the Agreement must be in writing and delivered by commercially established courier service; email with written confirmation of delivery; or via certified mail, return receipt requested, to the addresses specified on the first page of the Agreement; or at such other addresses as the Parties designate in writing from time to time. Notices are deemed delivered when received by any of the above means. Any legal notices must also be copied to "Attention: Accuris Legal Department, General Counsel" and sent by email to legal@accuristech.com.

10.12 Publicity. Accuris may develop a case study following Customer's implementation and use of Accuris Products and Services.

10.13 Limitation Period. Unless otherwise specified herein, any cause of action arising under the Agreement must be filed in a court of competent jurisdiction within two (2) years of the date such cause of action accrued, or the date the complaining Party should have reasonably discovered the existence of such cause of action, whichever is later.

10.14 Survival. The terms and conditions of the Agreement (including Section(s) 4, 5, and 6 of the Online T&Cs), will survive the expiration or other termination to the fullest extent necessary for their enforcement and for the realization of the benefit by the Party in whose favor they operate.

10.15 Privacy. Where Customer's use of the Products and Services requires Accuris to process personal data on behalf of the Customer, Customer represents that, prior to providing Accuris with any such personal data, Customer has obtained all applicable rights and consents and provided all notices relating to such processing or, if applicable, the transfer of personal data, as may be required by applicable law. Unless parties have executed a separate data processing agreement, the processing of personal data by Accuris under this Agreement shall be governed by the Accuris Data Processing Agreement located at the following link [Accuris DPA](#), which shall be deemed incorporated by reference into the Agreement.

10.16 Third-party Rights. Except for Accuris' Third-Party Providers or as otherwise provided in the Agreement, no term of the Agreement is intended to confer a benefit on, or to be enforceable by, any person who is not a Party to the Agreement.

10.17 Authorized Execution. Each person executing the Agreement on behalf of any entity hereby represents and warrants that he or she is duly authorized and has full authority to execute and deliver the Agreement.

10.18 Execution in Counterparts. The Agreement may be executed simultaneously in two or more counterparts, each of which will be considered an original, but all of which together will constitute one and the same instrument.

10.19 Electronic Signatures. Each Party consents to the other Party's use of electronic signatures on the Agreement and/or any Exhibit, Order Form or SOW attached or appended hereto. Neither Party may object to the legal effect or enforceability, as a result of such electronic signature, which will be considered to be an original binding signature.

End of Online Terms and Conditions

EXHIBIT A –DATA PRODUCTS

1. FEES.

1.1 The Customer shall pay Accuris the Fees in advance for licensing the Products specified in any Order Form. All Fees are nonrefundable. Unless otherwise agreed in the Order Form, Accuris reserves the right to modify the Fees after the initial 12 month subscription period by providing at least 45 days prior written notice to the Customer; provided such change will occur no more than once in any 12 month period.

1.2 Unless Customer is in material breach of the Agreement, the Products ordered by Customer on a term basis under an Order Form will automatically renew for successive 12 month renewal terms, unless either Party provides the other Party with written notice of its intent not to renew at least 30 days before the end of the initial or any renewal term. Accuris specifically reserves the right to terminate any Product if Accuris no longer has the necessary right from any Third-Party Providers to license or distribute the Product.

2. LICENSE/AUTHORIZED USE.

2.1 LICENSE TYPES.

2.1.1 “Authorized User(s)” means employees of Customer (and/or Customer’s Affiliates where permitted under an Order Form). Customer assumes full liability and responsibility for the acts and omissions of its Authorized Users and shall take all reasonable steps to ensure that no unauthorized persons have access to the Product. With respect to named or specified Authorized Users, Customer shall also maintain an up-to-date list of all such users and make such list available for inspection at Accuris’ reasonable request.

2.1.2 “Enterprise-Wide License” means a type of license that allows the Authorized Users (number and/or location(s) specified on the Order Form) of Customer and Customer Affiliates where permitted under an Order Form (as of the effective date of the Order Form) to access the Product.

2.1.3 “Site License” means a type of license that only allows Customer to access the Product from the location(s) listed in the Order Form. Site License may include Customer Affiliates’ locations as sites, if the Order Form specifically lists the Customer Affiliates’ locations.

2.1.4 “User License” means a type of license that allows the number of Authorized Users specified in the Order Form to access the Product through user name and passwords either: (i) on a concurrent basis (i.e. allowing up to the specified number of Authorized Users the rights to access the Products simultaneously) or (ii) on a generic/named user basis.

2.1.5 “Internal Use” means that Authorized Users may use the Product only for Customer’s internal business purposes. Except as otherwise specified on an Order Form, Products are not licensed for external use.

2.2 AUTHORIZED USE.

2.2.1 License Grant. Subject to the terms and conditions of the Agreement, Accuris grants to Customer, and Customer hereby accepts, a license that is limited, nonexclusive, nontransferable, nonsublicensable, and revocable (solely to the extent provided in Section 7 of the Online T&Cs). Customer may use the Product in the specified media and accompanying Documentation (if any), for its Internal Use only. The Order Form will specify information relevant to the license grant, including: (a) the license type (e.g. Enterprise-Wide, Site, or User), (b) the license term (e.g. perpetual or term/subscription), and (c) the Product(s) being licensed.

2.2.2 Creation of Works from the Product. Customer may create documents, reports or presentations (collectively “Work”) using information from the Product provided such Work is for Customer’s Internal Use only. Nothing in this section will operate so as to vest in Customer any proprietary rights in any Products or portions of Work in any way derived from Products.

2.2.2.1 Amount of Product in Works. Customer undertakes: (i) that the information from the Product used in the Work will be insubstantial and de minimis in nature and will not be primarily a copy of the Product; and (ii) not to create Work that uses a portion of the Product that could reasonably be considered substantial.

2.2.2.2 Work Not to be Commercialized. Customer must never use Work: 1) to produce a commercial product or service that competes with the Product(s) from which the Work was created, or 2) directly for revenue generating purposes.

2.2.2.3 Citing Accuris in Work. In Work, Customer shall represent Accuris or its Third-Party Providers as the source of the Product information in the following form: *“Includes content supplied by [NAME OF Accuris COMPANY or its Third-Party Provider]; Copyright © [NAME OF Accuris COMPANY or its Third-Party Provider], [publication year]. All rights reserved”*.

2.2.3 Other Copying and Distribution. *Except as specifically authorized in Section 2.2.2 or the applicable Order Form, Customer:*

2.2.3.1 may not copy, distribute, publish, republish, scan, transfer, sell, license, lease, give, permanently retain, decompile, reverse engineer, or otherwise reproduce, disclose or make available to others, or create derivative works from the Product or any portion thereof or use the Product to support any illegal activity.
